## ACTS MEN'S SPANISH RETREAT

These photos illustrate the wonders that God has done in the lives of these men, the servers of the ACTS Men's Spanish Retreat from St. Cyril this past weekend.

We thank them for all their hard work and the great love with which they made everything, and for putting themselves in the hands of the Holy Spirit to be its instruments.

A very special thanks to Francisco Ponce and Manuel Tinoco for the delicious food that they prepared. We would also like to thank José Ramírez, who was part of the retreat, and still was a big help to

Panchito, Manuel José Luis and I in the kitchen.

We love our brothers in Christ, and we cannot wait to have them back at the Retreat Center Our Lady of Lourdes...where we experienced the merciful love of God and His miraculous work, one retreat at a time.

Jose Luis and Flavia,  
Founders

### **BOY SCOUTS AT WORK**

Diego Ruvalcaba, his Family and a team he recruited himself as part of his Boy Scouts Eagle Project built a rosary at the Retreat Center Our Lady of Lourdes. Nothing stopped this group of young leaders, who, as part of Diego's Boy Scout's project, worked in the rain until the rosary was built in front of Our Lady of Lourdes mini-grotto.

We would like to thank God for these young leaders and volunteers, and especially a Huge Texan Hug and Thanks from our family to yours. We at Our Lady of

Lourdes Retreat Center are so proud of your work and your team's work. You are definitely part of God's Team.

We invite other teams to come out to Our Lady of Lourdes Retreat Center with your ideas in order to beautify the property. Diego is a teenager and he was able to raise the money for the materials, got approval from the Boy Scouts for his project, got a truck to help in bringing the stones, and even with the rain, had a faithful team who helped out until the rosary was completed....we know there are other God's people out there, part of His Team, who could do other small and great things at Our Lady of Lourdes Retreat Center...let's remember our Blessed Mother Teresa of Calcutta's words: " We cannot do great things, only small things with Great Love" During this very special season of Lent, do you have any "small things" you would like to do with "Great Love" at the new Retreat Center in town?
